

RoHS Statement of Compliance

Bray International, Inc. is committed to safe and environmentally friendly products that are compliant with the EU RoHS Directive (Restriction of Hazardous Substances). This document declares Bray International, Inc. compliance with this directive.

RoHS

The European Union has established requirements for Restriction of Hazardous Substances (RoHS) in all Electrical and Electronic Equipment (EEE). Please see Directive 2011/65/EU which entered into force July 21, 2011 becoming effective January 2, 2013.

Declaration

Based on internal analyses, vendor supplied analyses, and/or material certifications of the raw materials used in the manufacturer of components by subcontractors, Bray International, Inc. declares that all products currently comply with and conform to RoHS regulations.
